Internationalization goals:

- Improving the level of English language between the academic staff and the students
- Promoting international activities among the students, mainly via participation in Student Mobility Programs
- Internationalization of the Curriculum at MSU
- Development of Virtual Mobility Programs (mainly COIL)
- Establishing cooperation with new University partners
- Active participation in joint international scientific and educational projects
- Preparing students to live and work in a culturally diverse global society

International Office duties:

- Cooperation with foreign higher educational establishments
- International project support
- Coordination of international academic mobility programs
- Organization of preparatory courses for international students

Annual Internationalization Event: "Go International Mukachevo!"

Workshop 1: "Promoting International Cooperation at MSU: Student Mobility Programs"

Workshop 2: "Internationalization of the Curriculum at MSU"

The project implementation will benefit for sustainable internationalization at Mukachevo State University
